**Town of Superior, Downtown Superior and Commuting Solutions Launch Bike and Transit Ride-Along Series Exclusively for Superior Residents**

**LOUISVILLE (July 6, 2022)** - As part of the [Downtown Superior Modes](#) program, [Commuting Solutions](#) has partnered with the Town of Superior and Downtown Superior to encourage you to use sustainable transportation options to get to and around the neighborhood.

From July through September, join us for our bike ride meetups and transit workshops to experience first-hand all the benefits of taking more sustainable travel modes. These guided events will help you gain confidence in your choice to ride your bike or take transit for everyday trips around the neighborhood and beyond!

All are welcome to attend—experienced and beginners alike—and will be rewarded for participation in the summertime event series. Participants will be eligible to receive either a \$15 Hangry Horse Café gift card or 10-ride RTD Ticket Book (\$28 value). To receive the reward, participants will complete a short survey before and after the events.

Participants will also get a tutorial of the [My Way to Go](#) online platform and app, which offers trip planning, a comparison of commute options, and trip tracking.

**Bike Ride Meetups:** Let's meet and go for a ride! Join us for a casual 1.5-hour ride to show the ease of traveling by bike to and from Downtown Superior. Meet up with us at the Hangry Horse Café (One Superior Plaza Way Unit E). The group will then proceed to ride in the neighborhood, and then different parts of the community. Bike Ride Meetups are held every 2nd Wednesday in July, August, and September; 6:00 p.m. to 7:30 p.m. (July 13, August 10, September 14).

**Transit Workshop Walk-and-Learns:** All About RTD - Join Commuting Solutions staff for an overview of RTD's transit services available to Downtown Superior visitors, residents, and employees. The event includes a 30-minute in-depth presentation followed by a walk over to the US 36 & McCaslin Station. Walk-and-Learns are held every 4th Wednesday in July, August, and September; 6:00 p.m. to 7:30 p.m. (July 27, August 24, September 28).

Setting the pace for the northwest metro region.
