About Zero Fare for Better Air

Zero Fare for Youth is a one-year pilot program that aims to enhance the lives of RTD customers and communities by reducing transportation costs for families. By inviting ages 19 and under to use RTD services at no cost, we also remove barriers to education and employment, while creating access to destinations across the metro Denver region. Beginning September 1, RTD is excited to welcome a future generation of transit users to experience the benefits of public transit without a fare. Zero Fare for Youth encourages lifelong transit use through early exposure to, and use of, public transportation among a new generation of customers. <https://www.rtd-denver.com/zerofare/youth>
