

***Want a chance to win a \$100 mini-grant to promote sustainable transportation at your workplace?***

# **Apply for the 36 Commuting Solutions Awesome Ambassador Award**

## **The Mini-Grant can fund:**

- A commute competition.
- A lunch-n-learn to learn more about the commute options for your workplace.
- The start of an employer shared bike program.
- Much more! Be creative about promoting clean commuting at your workplace!

## **Transportation Facts:**

- A gallon of gasoline emits almost **20 pounds of carbon dioxide**, which would fill 10 refrigerators. (Source: Environmental Defense/ Environmental Protection Agency)
- Transportation accounts for **28% of greenhouse gas emissions in the U.S.** (Source: Environmental Protection Agency)
