Casual Carpool Driver Information

In order to use the [US 36 HOV3+ Lanes](#) for free, make sure you register on the [ExpressToll website](#) and order a switchable HOV pass.

You'll need 4 things to register for an account.

1. License plate number
2. Make & model of vehicle
3. A Valid Email Address
4. A Valid Credit Card

While you'll be able to cruise for free with your Casual Carpool, ExpressToll does require a \$35 balance in your account for when you aren't riding with others. Once your account is set up, you will receive your transponder in 3-5 business days. Stick it to your windshield, make sure the switch is flipped to the HOV position and you are ready to cruise toll-free with your Casual Carpool.
